FEBRUARY

Our Preschool Theme for February is Love & Friendship Around. Here's what we'll be focusing on:

Objectives:

- Kindness & sharing.
- Recognizing feelings.
- Language Development.
- Fine & Gross motor skills.

Children will explore kindness, sharing, respect, and friendship through stories, songs, playtime, and creative art activities. We also recognize **Black History Month** by learning about diversity and respect through age-appropriate activities, and celebrate **Chinese New Year** by exploring colorful decorations and fun experiences.

We can do this with hearts, flowers, kindness & thoughtfulness and simple with a hug or a smile. This is a wonderful way to learn about us and our relationships.
